

COVID-19 Update

We are continuing to keep abreast of the requirements relating to COVID-19. The following information is intended to assist in preventing the spread of COVID-19.

Social distancing whilst in the park is required and the number of guests accessing the camp kitchen and amenities at any given time is reduced. Please avoid entering these areas if the maximum number of guests will be exceeded.

Practise **good hygiene** at all times to prevent the virus spreading. This includes:

- washing your hands often with soap and water
- use alcohol based hand sanitisers when you can't use soap and water
- avoid touching your eyes, nose and mouth
- clean and disinfect surfaces you use often such as benchtops, doorknobs, mobile phones, keys and wallets.

If **you feel unwell**, please do not visit us, and seek medical advice. If you have cold or flu like symptoms you should seek medical advice and get tested for COVID-19.

For more information: <https://www.health.gov.au>.

We appreciate your understanding of this situation as the health and safety of our guests, staff and community is our highest priority.

We look forward to seeing you soon.
